ABCD ESG

One of the UK's top 10 healthiest workspaces - raising the stakes in Watford.

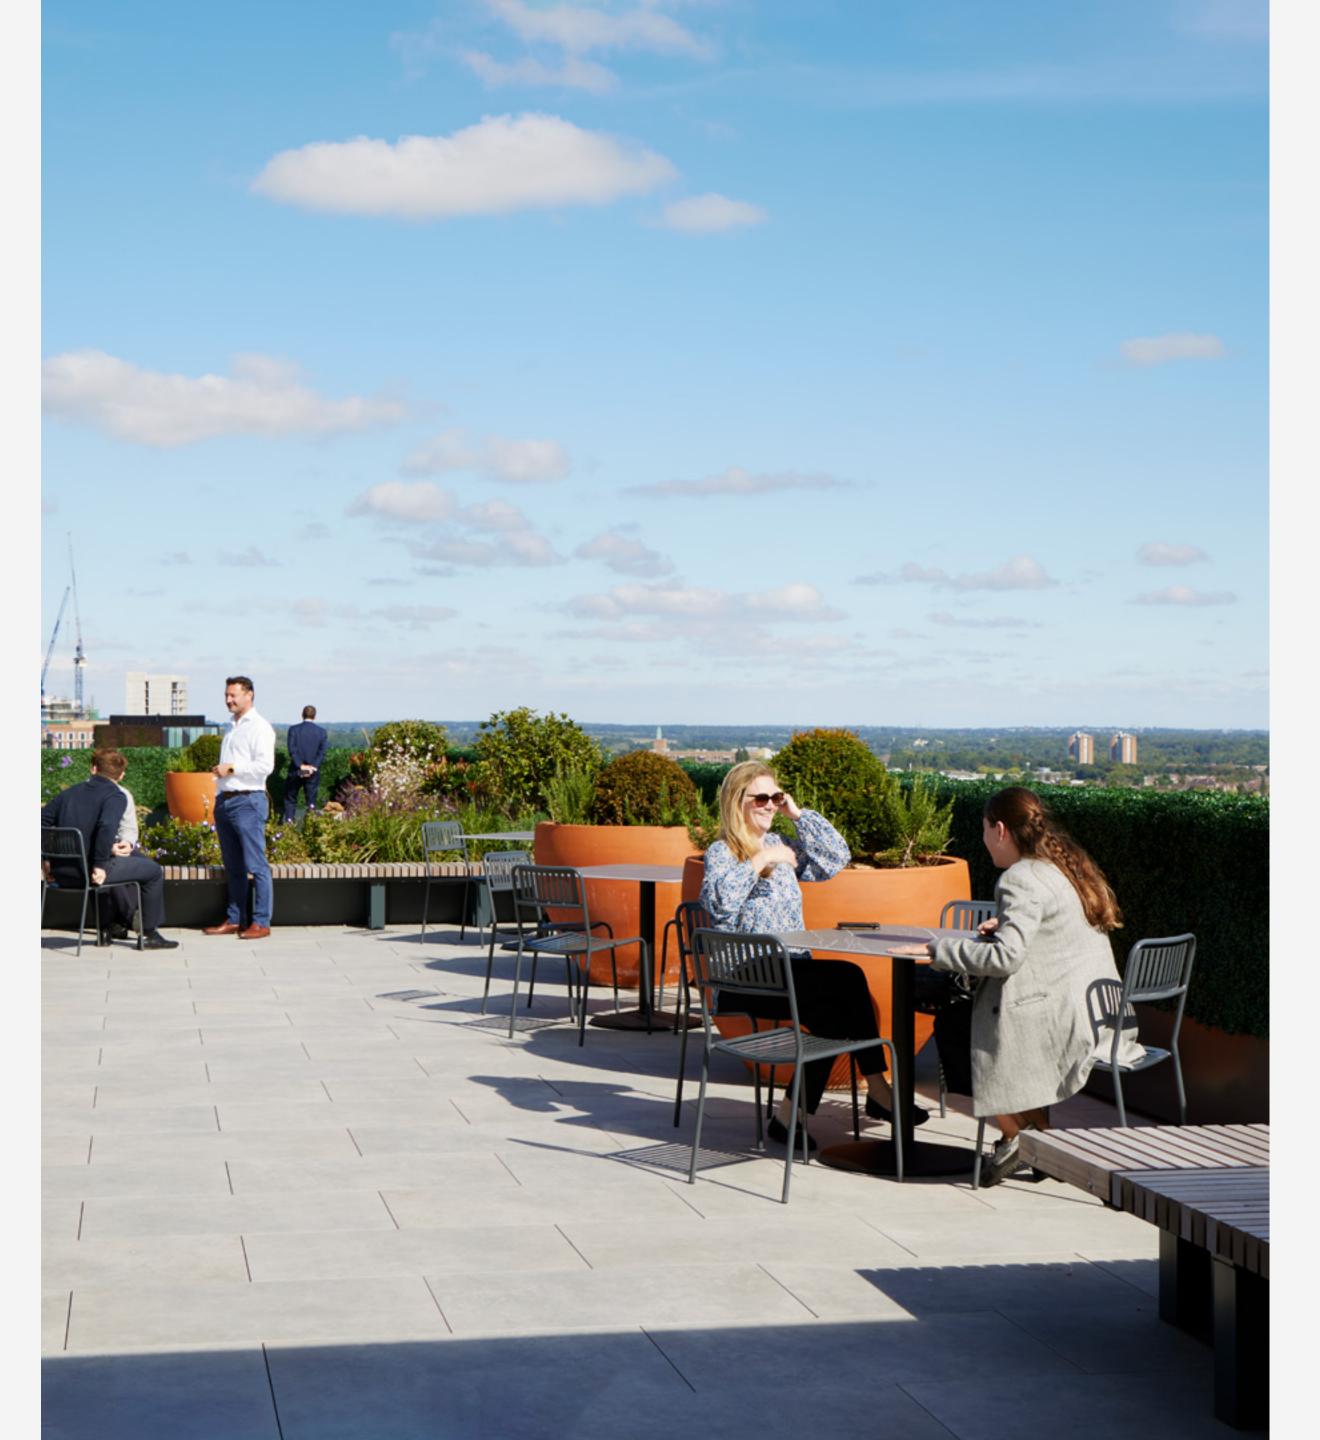

REGAL

"To ensure that future generations thrive, we are committed to playing our part in tackling the climate crisis, and to delivering better outcomes for the environment and our local communities through creating positive social value.

Our sustainability strategy focuses on three areas: transitioning to net zero carbon by 2030 through collaboration with our supply chain; going beyond biodiversity net gain and helping disadvantaged groups including military service leavers into employment in real estate and construction through our Regal Academies."

Paul Eden Co-Founder, Regal

REGAL ACADEMIES

Regal, in an exclusive partnership with Building Heroes, have launched their first Regal Academy, a pop-up construction skills centre on Clarendon Road in Watford.

80 military veterans and people from often marginalised groups

£2.5 million of social value per year using the National TOMS social value framework

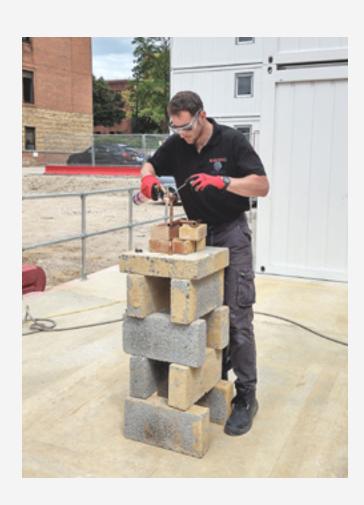

Six five-week programmes a year

Learners secure a Level 1 Diploma in construction skills, a L1 Health & Safety Award and a CSCS Card

Many learners secure employment as a result

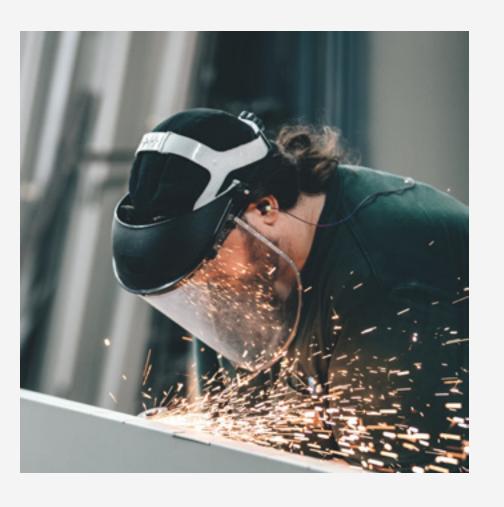

For the duration of the construction works

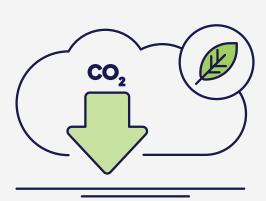

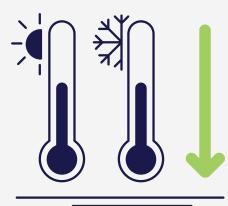

IN PARTNERSHIP WITH

48% less regulated carbon emissions compared to business as usual

21% less heating & cooling demand compared to a typical office

Saving 69 tonnes of carbon per year compared to a typical office building

Diverting 90% demolition waste from landfill (3,459 tonnes to date)

94kw peak PV array

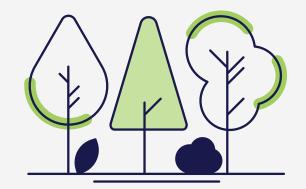

Diverting 80% operational waste from landfill (2,338 tonnes to date)

EPC Rating A for the offices and targeting insulation value equal or better than Part L

150 on-site parking spaces, 58 spaces with EV charging of which 50% will be active and 50% passive - all 7Kw/h

Enhanced biodiversity, planting approx 40 trees and a range of evergreen plants and flowers

All electric

EU taxonomy compliance

WELL rating – platinum achieved (precertification)

REGAL WORKSPACE

DELIVERING ON OUR PROMISE

Regal, in partnership with Platform, a premium mixed-use flexible workspace operator, have launched their debut co-working brand Shoreditch Exchange, providing occupiers with co-working space, amenities and a community of like-minded people. All spaces will be operated with a hospitality first approach on flexible terms with offices for up to 382 people on rolling membership terms and hot desks and meeting rooms all available to book by the day.

Shoreditch Exchange comprises of 140,000 sqft of office space over eight floors with private offices, shared workspace and two outdoor terraces. Built and owned by Regal, the development completed in 2020 and includes 184 homes and over 43,000 sqft of commercial and retail space too.

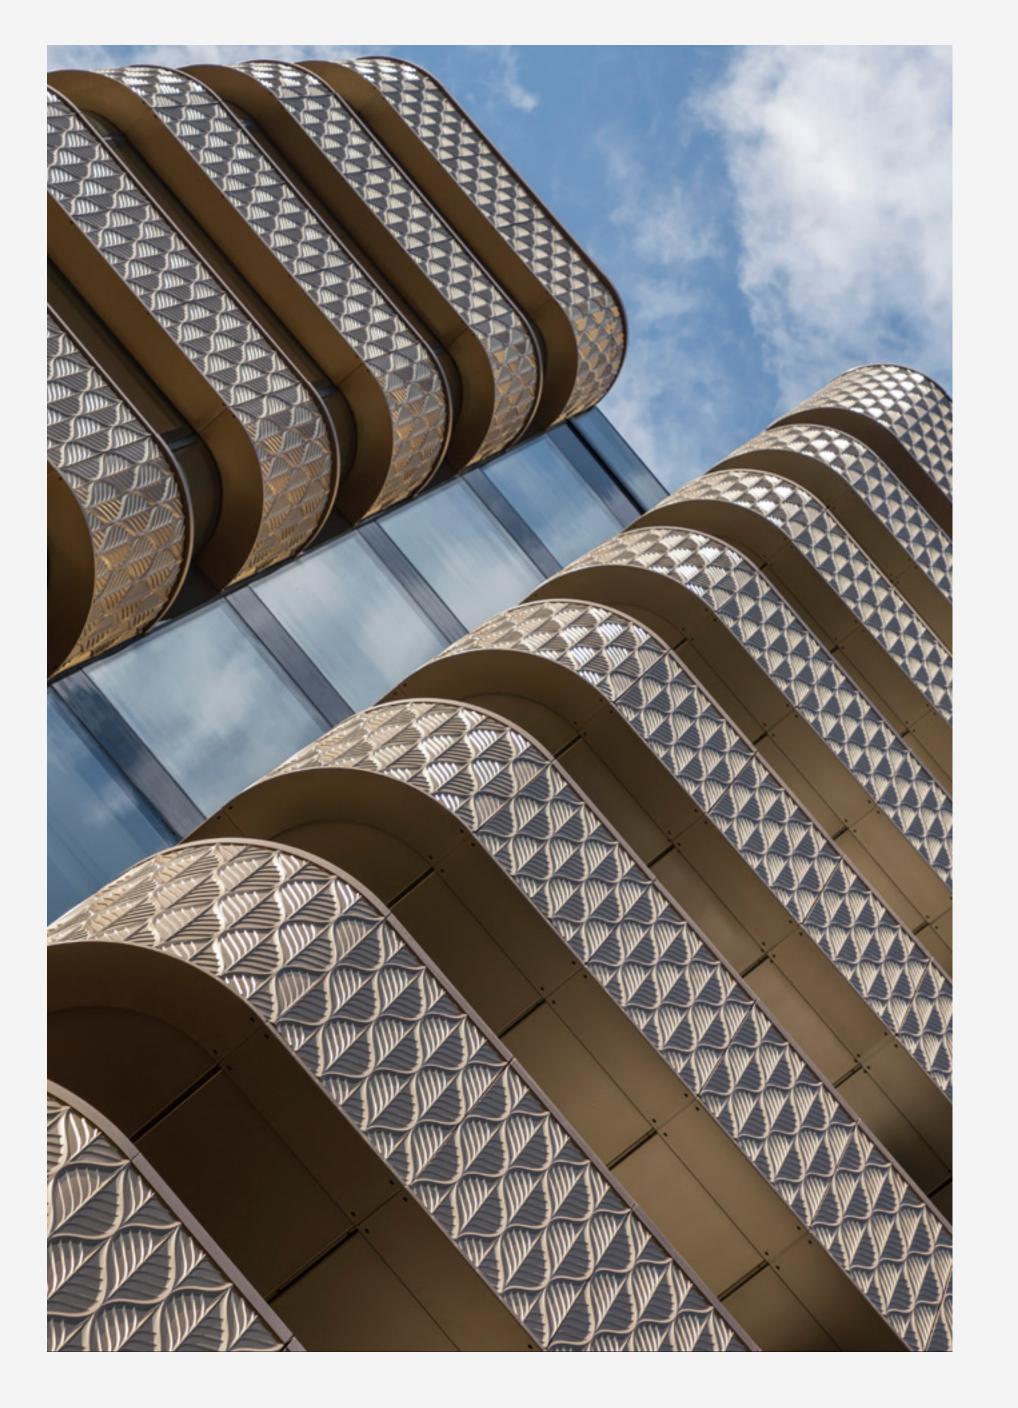

REGAL

Regal is one of the capital's leading privately owned mixed-use developers with a focus on unlocking value from complex urban settings. With a legacy of over 25 years of success, Regal continues to shape vibrant places that reflect the diversity of our capital city. Regal builds long-term partnerships with likeminded parties, including landowners, councils and financial partners, to maximize their collective ambitions.

Regal's brand portfolio includes five sub-brands: 'Regal London', comprising the residential assets; 'Regal Students', the business's Purpose Built Student Accommodation portfolio; and 'Regal Workspace' its office portfolio. The developer's in-house construction arm is 'Regal Construction', and 'Regal Academies' includes onsite construction skills academies.

Unlike many other developers, Regal is a fully integrated business operating across the entire lifecycle of the asset, which means that it puts the customer at the centre of everything it does.

Regal strives for progress towards net zero and invests in innovative technologies to reduce its carbon footprint. Regal works with partners and collaborators to create positive social value, and in keeping with its own entrepreneurial spirit, particularly works with groups providing support for young people and those wanting to further their own careers.
